

Solutions that deliver location intelligence to your desktop

*Worried about
your overheads?*

Understanding your assets

- » Where are they?
- » What is impacting them?
- » What needs doing to them?
- » Who needs to do it?
- » Can they get access?
- » What is my insurance risk?
- » Where am I losing money?
- » What is my opportunity cost?

**We bring you the answers you have
been looking for**

Visibility of your assets and location intelligence

**You make informed and
commercially sound decisions**

Reducing costs, increasing productivity,
ensuring profitability

“ Moat has found emapsite’s service invaluable in helping
to manage our housing assets. ”

Chris Ollier
Director of Property Services, Moat
